## FOR ALL MEN AND WOMEN

I will give you free a sample of Dr. Pierce's Pleasant Pellets, that have brought health and happiness to thousands-also a book on any chronic disease you need.

The story of my free offer to you is quickly told. During my many years of practice I have used numerous combinations of curative medicines for liver ills. I have kept records of results in case after case, so that my staff of physicians and surgeons, at the Invalids' Hotel, Buffalo, N. Y., are able to diagnose and treat cases at a distance with uniform good results. I am going to send you free a sample package of Dr. Pierce's Pleasant Pellets, which will relieve biliousness and ill health due to a disordered liver. Write at once for a sample or a book.

But for the permanent relief of blood disorders and impurities, I can recommend my "Golden Medical Discovery"-a blood medicine without alcohol.-R. V. PIERCE, M. D., Buffalo, N.Y. Nature's Way Is The Best. Buried deep in our American forest we find bloodroot, queen's root, mandrake

and stone root, golden seal, Oregon grape root and cherrybark. Of these Dr. R. V. Pierce made a pure glycoric extract which has been favorably known for over forty years. He called it "GOLDEN MEDICAL DISCOVERY."

This "Discovery" purifies the blood and tones up the stomach and the entire system in Nature's own way. It's just the tissue builder and tonic you require.

Dr. Pierce says: - "Glycerine plays an important part in Dr. Pierce's Golden Medical Discovery in the cure of indigestion, dyspepsia and weak stomach, attended by sour risings, heartburn, foul breath, coated tongue, poor appetite, gnawing feeling in stomach, biliousness and kindred derangements of the stomach, liver and bowels.

In coughs and hoarseness caused by bronchial, throat and lung affections, except consumption, the "Golden Medical Discovery" is a most efficient remedy, especially in those obstinate, hang-on-coughs caused by irritation and congestion of the bronchial mucous membranes. The "Discovery" is not so good for acute coughs arising from sudden colds, nor must it be expected to cure consumption in its advanced stages-no medicine will do that-but for all the obstinate, chronic coughs, which, if neglected, or badly treated, lead up to consumption, it is the best medicine that can be taken." Sold by all principal dealers in medicines.
